"There are not over a 100 people in the U.S. that hate the Catholic Church, there are millions however, who hate what they wrongly believe to be the Catholic Church - which is, of course, quite a different thing."

- Fulton J. Sheen

You are holding in your hands a treasure of immeasurable worth. The Catholic Information Center's LIFETIME READING PLAN is a window into reality – ultimate Reality - the Truth of Jesus Christ as proclaimed through the ages by His Church.

The LIFETIME READING PLAN is both Catholic and catholic - universal in every sense of the word. It showcases the wonderful variety and diversity of thought present in the Church. From the Carmelite ideal of closer union with the Divine through introspective prayer to St. Thomas Aquinas' desire to grow in love of the God through reflecting on the created order and allowing the human intellect to soar to untold heights, from St. Alphonsus Ligouri's desire to apply monastic spirituality to the laity to St. Josemaria Escriva's call to turn ordinary material work into prayer and sanctity, from the systematic dogmatism of Ludwig Ott to the allegory of Fulton Sheen, the LIFETIME READING PLAN's selections are like a prism, delicately refracting the Light of Christ in all of Its Beauty. Although these titles each present the Truth in their own ways, all of them are completely, unflinchingly, and unashamedly faithful to the Magisterium of the Church.

For those who are interested in learning more about the Catholic Church, the Plan will present the basic tenets of the Faith in a straightforward and accessible manner. For those who have a sure grounding of what the Church believes and why She believes it, the LIFETIME READING PLAN gives practical advice on living that Faith in the midst of the modern world. For "cradle Catholics," the Plan offers reflections from Christendom's treasury of great spiritual writers and literary treatments of Christian Truths to awaken within a deeper and stronger love for the Church.

Let the Catholic Information Center's LIFETIME READING PLAN be your plan for spiritual excellence. Remember, as St. Josemaria Escriva so wisely noted, "**Reading has made many saints.**"

The CATHOLIC INFORMATION CENTER is a destination for the mind and soul in the heart of Downtown Washington, offering the Sacraments and the Church's spiritual wealth to our Nation's Capital for over 50 years. Each year, thousands approach the altar at Daily Mass to receive our Lord in the Blessed Sacrament and hundreds come to the Fount of Mercy Our Lord offers in the Sacrament of Penance.

"The Catholic Information Center is the soul of Washington in the heart of Washington. **I couldn't imagine Downtown without it.**"

-George Weigel

The CATHOLIC INFORMATION CENTER is more than a spiritual oasis, however. We are at the forefront of building the Civilization of Love spoken of so frequently by Pope Benedict XVI. In addition to the Sacraments, the CIC offers:

- The closest Tabernacle to the White House
- Daily Eucharistic Adoration
- Priests on-hand for Spiritual Direction
- Discussion groups & lecture series
- Booksignings with prominent authors
- Online podcasts of our programs
- A rich and varied collection of truly Catholic books, gifts, and religious artwork
